

STATIONERY

A STEADY STREAM
of stationery and office supplies flows from the store to our customers, and another stream replenishes the stock. This is kept up to a condition where betterment is impossible.

STATIONERY
from the best manufacturers in each line fills our shelves, and little money will transfer the ownership. The proof of the value is in the quality.

The Diamond Cure.

The latest news from Paris is that they have discovered a diamond cure for consumption. If you fear consumption or pneumonia it will, however, be best for you to take that great remedy mentioned by W. T. McGee of Vanleer, Tenn. "I had a cough for fourteen years. Nothing helped me until I took Dr. King's New Discovery for Consumption, Coughs and Colds, which gave instant relief and effected a permanent cure." Unequalled quick cure for throat and lung troubles. At the Red Cross Pharmacy and Parlor Drug Store. Price 50c and \$1.00. Guaranteed. Trial bottle free.

Ten thousand demons gnawing away at one's vitals couldn't be much worse than the tortures of itching piles. Yet there's a cure. Doan's Ointment never fails.

When Cambridge, Mass., celebrated its 50th anniversary as a city there was not a drunken man in sight from morning until evening. Late at night there were six arrests for drunkenness, but these were of men returning from Boston who had bought their booze in hub saloons. For a city of 90,000 inhabitants this is a most remarkable fact, and one which testifies volumes as to the value of no-license which has been voted in that city by increasing majorities for many years past.

The United Mine Workers of America have adopted a resolution requiring all members who are either saloon keepers or bar tenders to either withdraw from their business or from the Mine Workers' Association. Slowly but surely every great fraternal organization in the entire country is placing a ban upon the traffic in intoxicants, and recognizing the great truth that it is a curse, and nothing but a curse, to the American people. Sooner or later, this curse will be banished from our midst, as surely and effectually as African slavery.

In the great no-license campaign which has been carried on in Los Angeles an attempt was made to show that its success would mean a blight to the prosperity of the city. To offset any possible effect of this misleading statement an eastern capitalist declared that he had \$15,000 in hand to invest there, and \$75,000 more later available if the city voted "No." License never produces any real or lasting prosperity to either city or country.

The Frank Jones Brewing Co., Limited has been fined \$700 by the Suffolk County Superior Court on a charge of using salicylic acid in its ale. The New England Brewing Co., has also been fined \$200 for using the same substance in beer. Perhaps no kinds of liquors have been more freely advertised and used in Vermont than those manufactured by the Frank Jones Co.

BAIL FURNISHED.

Burlington Men Who Are Charged With Shooting J. L. Powers.

Burlington, July 1.—Frank and Orson Bonger and Hollis Bean, who are charged with having a hand in the shooting affair at the mouth of the river when J. L. Powers was shot in the leg, have been in jail since the shooting occurred, but Thursday Dennis Bonger, father of Frank and Orson, offered himself as bail for Frank and he was accepted. Bail had been fixed at \$1,000 and Frank was released. Orson and Bean are still in jail and will remain there until the hearing Saturday.

The condition of Mr. Powers is still peculiar. It cannot be said that he is recovering or that he will die. His wounds are large and of a dangerous character and he suffers much pain. Whenever the physicians dress the wounds Mr. Powers is placed under the influence of chloroform. Mr. Powers himself is full of confidence and expects to recover, but he knows that he has a long siege in the hospital before him. He will not be in condition to appear in court for some time.

THEY NEVER FAIL.

That is What They Say About Them In Barre, And It is, Therefore, Reliable.

Another proof. Some more evidence. Barre testimony to swell the long list of advocates who endorse the old Quaker remedy, Doan's Kidney Pills. Read this convincing endorsement of the claims made for that remarkable preparation:

Joseph Barnier, stone cutter, Graniteville, says: "I do not want the residents of Barre or anywhere this paper circulates to think that Doan's Kidney Pills, sold at E. A. Drown's drug store, absolutely cured me of kidney complaint, but I want them to thoroughly understand that in all my experience with medicine and prescriptions said to cure disordered kidneys, I never received anything like the assistance I obtained from Doan's Kidney Pills. I tried so many different remedies and obtained so little success that it was only after they were strongly recommended to me by a friend who had been cured of a similar case to me that I commenced the treatment. My back grew stronger, my general health better, and unless I brought any exertion on the muscles of the loins I did not feel the continual lameness and aching. This, to a man who has given up all expectations of ever being helped by the use of medicine, is of considerable value and greatly appreciated."

For sale by all dealers. Price 50 cents. Foster-McBarn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.

THE WORLD'S BEST

Sometimes an article is made so good that folks wonder how it can be sold at the price. That's the trouble with AMATITE; it seems almost too cheap. For a wind, rain and weather proof roof covering that will not crack, creep or buckle, rust or rot, there is nothing to compare with it. Anyone can lay AMATITE. Sample free on request.
